

Hopscotch

An illustration of a hopscotch grid drawn on a light-colored path that winds through a green, hilly landscape. The grid consists of numbered squares and rectangles, with numbers 1 through 10 visible. Two sheep are on the path: one on the left, facing right, and one on the right, facing left. The sheep have grey wool with large, stylized eyes. A small green object, possibly a chalk eraser, lies on the path near the bottom right. The background shows rolling green hills and a small body of water in the distance.
